To whom it may concern

Dear Sir or Madam,

Re: Australian Indigenous Coffee (AIC)

Morris Corporation engages AIC to supply coffee beans for our operations at Fortescue Metals Group and in our Head Office in Western Australia. This has proven very popular with our guests and we sell a significant number of cups of coffee at these locations!

We are very happy with this relationship and positively endorse AIC as a coffee supplier of choice for your consideration.

Should you have any further queries, please don't hesitate to contact me.

Kindest regards,
